

“Eve’s experiences, her wonderful ideas to solve problems in teams and service relations, her creativity based on an amazing knowledge and her perfect way of structuring and solving problems are really outstanding.”

Dietmar Bochert, Director at Franz Haniel & Cie. GmbH, Germany.

Eve Simon

Location: Germany & California.

Languages: English, German.

All the expertise: Coach, Trainer, Key-Note Speaker.

My best story

“Suddenly I knew - I quit, I divorced and I moved to the other side of the world to start anew - to create the life and business I always heard as a quiet voice inside of me ...”

Overview

Eve is a resourceful, committed and out of the box Coach, Consultant and Speaker with over 20 years’ experience guiding and inspiring corporations and individuals all over the world through change into growth. Her approach is highly explorative, motivating and solution focused. She has provided decisive input in creating new ideas and solutions as a source of inspiration and action, building bridges between cultures, genders and business view points. You see her regularly tours with executives through Silicon Valley - igniting the ripple effect of digitalisation and new ways of working into the world.
