My best story

“It was a hot, dusty evening in Khartoum, and I had no idea who would be coming to dinner...”

Overview

Paul instructs bespoke group training programmes in Leadership and Personal Effectiveness, as well as coaching individuals and teams. His highly interactive and engaging style of delivery draws on his wide experience in the business world. Paul’s experience at the “sharp end” of business enables him to understand the issues facing business leaders, and gives him the assertiveness to get to the heart of the matter and help bring about the necessary action.

Areas of Expertise

- Executive coaching
- Leadership and management development
- Change management
- Attitude and behavioural development: Developing “soft” skills
- Sales development

Licence to Practice

Paul’s experience in dealing with people at all levels, from factory floor to Boardroom, underpins his areas of specialism. He brings a broad experience of senior positions in global companies such as Tate and Lyle. His experience in the corporate world is complemented by having run an SME, giving him a breadth of knowledge of organizations large and small.
